ABOUT

Design is how I speak.

I'm **Repudi Kamala Jeslyn** — a graphic designer who loves turning ideas into eye-catching flyers and polished digital experiences.

From client campaigns to hobby projects, I work across print and screen: event flyers, promotional materials, web layouts, and everything in between. Colour, typography, and clear hierarchy are at the heart of every piece I make.

WHAT I DO

Services & focus

Flyer design

Events, promotions, and campaigns — print-ready layouts that grab attention on walls and screens.

Client projects

Collaborating with brands and individuals to deliver visuals that match their voice and goals.

Web design

Clean, colourful interfaces and marketing pages that feel as polished as your print work.

Personal & hobby work

Experimental flyers and passion pieces that show personality beyond client briefs.
